Why Choose ELITE 7.6

The GSI ELITE 7.6 is a premium All-in-One energy storage system designed to deliver clean power, reliable backup, and intelligent control — all in a sleek and space-saving design.

All-in-One Design

Integrated battery, inverter, and BMS for seamless performance.

Compact Footprint

Space-saving design that fits beautifully in any home.

Reliable Home Backup

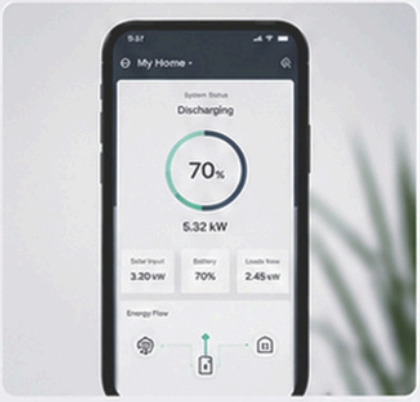

Automatic backup power keeps your home running when it matters most.

Smart App Control

Monitor and manage your energy anytime, anywhere with the GSI Energy app.

Ideal for premium home backup, solar energy storage, and smarter energy management.

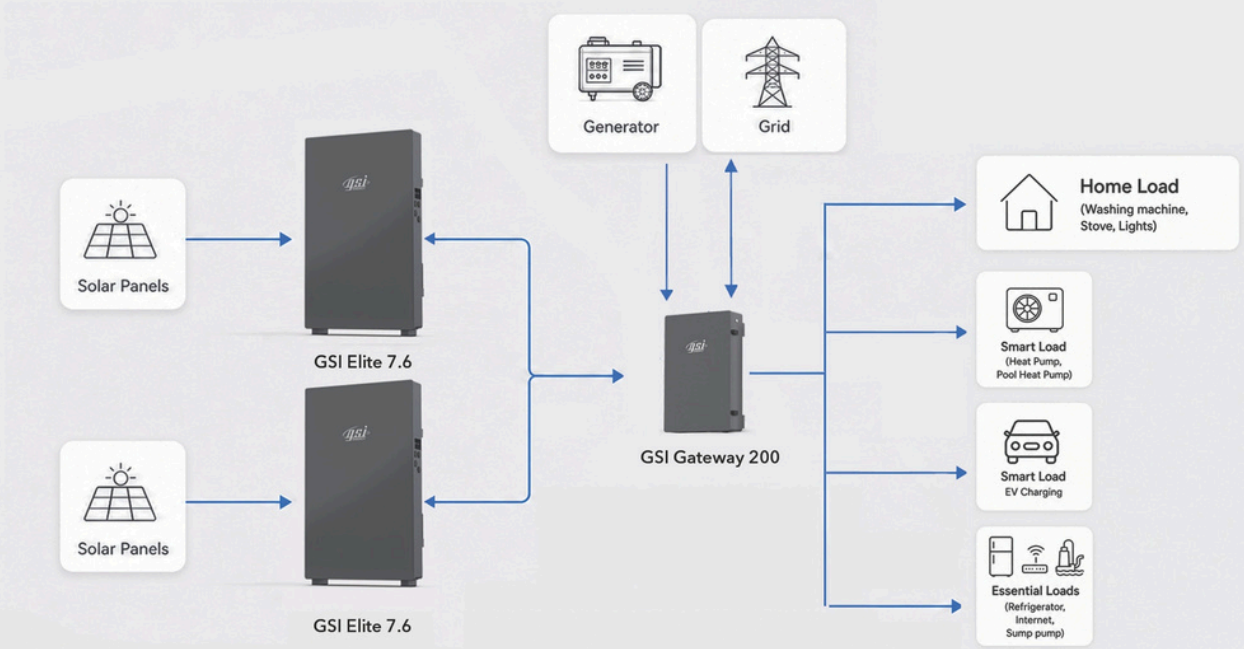

SMART ENERGY ECOSYSTEM

Smart . Reliable. Energy Ecosystem

ELITE 7.6 seamlessly connects with your energy sources and powers every part of your home—today and tomorrow.

How the Elite 7.6 Integrates

Solar Energy Storage

Store excess solar energy and use it when you need it most.

Whole-Home Energy Support

Power your entire home with confidence—day or night, on or off the grid.

Generator Ready

Automatically works with your generator for extended backup power and peace of mind.

Smart Load & EV Integration

Intelligently manages smart loads and EV charging to optimize energy use and savings.

10 Year Warranty

Enjoy long-term protection and dependable performance for added peace of mind.

Smarter Home Energy Begins Here

Intelligent power for modern living.
Delivering reliable performance and complete peace of mind

AFCI & Rapid Shutdown

Down to -30 °C Operation

Real-Time Monitoring
